Two Sentenced In Armed Hold-Up

Two local youths, involved in the shotgun armed robbery of the Best Gas Station in 1977, were sentenced to prison terms this week by Circuit Judge William Porter. Duane Jochims and Richard Ferrigan, both of Grayling, were sentenced to terms of 4-10 years and 3-10 years respectively for their participation in the incident.

Sheriff's Dept. deputies tracked the two down after they held up the station and fled on snowmobile.

Two School Board Petitions Filed

Two nominating petitions for school board posts were filed by the Monday, April 9th deadline, according to Asst. School Supt. Paul Lerg.

Two posts are up for grabs in this year's election, one being vacated by Robert Smock, who has indicated he will not seek re-election after fifteen years of board service, the other the expired term of current board member, Mrs. Dosch. The election is scheduled for June 11th.

The petitions filed were by Bernadine Dosch, seeking re-election, the other Pauline Petrosky.

Sheriff's Dept. To Receive Extra Funding

by Joe Schrader

A new patrol car plus funding that will provide an additional 16 hours per day Police coverage from sheriff's dept. deputies was recently approved by the Board of Commissioners under Public Act 416. The good news was recently received by Sheriff Curt Haas, who reported that the \$32,000+ request was recently approved by the Dept. of Management + Budget.

The allowance, at no cost to local taxpayers, will provide Crawford County with two sheriff's dept. deputies for the upcoming six months, enough, according to Haas, to provide an added 16-hour per day service, five days per week.

In addition to the police vehicle and added police service, the funding provides for a radar unit, portable hand radio, 4-channel mobile radio, overhead lights and needed siren equipment. "Again," said Haas, "I'd like to emphasize that the above expenditures are at no expense to county taxpayers."

Deputies Nab Juvenile Arsonist

A fire in a vacation home in South Branch Township led to the ultimate apprehension of a 15-year old youth, now charged with breaking & entering as well as setting fire to the home.

The youth, unidentified because of his age, has been petitioned to probate court. South Branch volunteer firemen, suspicious because of peculiar characteristics surrounding the blaze, summoned Crawford County deputies to investigate.

Sheriff's deputies, assisted by Sheriff Ralph Holowinski of Otsego County, responded quickly. Sgt. Glenn Artest and his tracking dog "Jason" were summoned to help and after a considerable search located the arsonist about a mile away from the burning building. The suspect, after questioning, admitting setting fire to the structure and the incident is still under investigation by Crawford County Sheriff's deputies.

Citizen's Info Leads To Arrests

Based on information provided the sheriff's dept., two Grayling juveniles were petitioned into probate court on charges of breaking & entering two South Branch cabins and unlawfully driving away a motor vehicle.

The youths were apprehended on March 30th, thanks to information provided to the sheriff's dept. by a concerned citizen.

"It's this type of information that aids us tremendously in our efforts," commented Crawford County Sheriff Curt Haas following the incident.

OLD 27 CLOSED FOR 5 HOURS—A tanker truck carrying crude oil went out of control and overturned just north of the high school late Monday morning shutting down public traffic on the highway for about a five-hour period. Roger Fairbrother, 56, Frederic, was driver of the rig which apparently went out of control after hitting an icy spot and spun off the highway with the tanker portion of the vehicle overturning according

Fairbrother received a severe head laceration in the incident and is listed in fair condition by Mercy Hospital officials.

Millage Increase Likely School Board Hears Budget Proposal

by Joe Schrader

The Crawford-AuSable School Board met in regular session this past Monday night and discussed a number of important topics including a proposal by the finance committee that could well determine what millage proposal will appear on this year's ballot.

One of the most significant items on the Monday night agenda was a discussion of the future of the honor study hall at Grayling High School. Principal Kent Reynolds reviewed the history of the program and outlined a number of options available for board consideration. Reynolds said the high school staff had studied the honor study hall situation and that, in the final analysis, recommends that it

be eliminated next year. That move would result in planning that would reduce the school schedule from seven class periods to six. It would also result in the hiring of three new instructors and an aide.

That theory and recommendation was adopted by the finance committee in working out a plan to continue school operation pretty much as is otherwise, and a budget of \$3,297,234 was recommended to the board. All the basic educational programs now in operation throughout the system will be continued under the proposed budget. Approval by the Board would result in a millage increase of 3.25 mills going on the June 11th ballot. According

Bill Bosserman To Be Honored Retires April 30

Bill Bosserman, Extension Director for Crawford and Roscommon counties, will be honored for his service to the area in a retirement party scheduled for Friday, May 4th, at the Knights of Columbus Hall in Roscommon.

A punch hour is set for 6 p.m., with dinner and ceremonies to follow at 7 p.m. Dancing to live music will follow, continuing until 12:30 a.m.

Bosserman announced his plans to retire from his post effective April 30th after serving Crawford and Roscommon counties the past four years.

We voted to accept the certification for another year.

The Kick-Off luncheon will be held Wed., May 2, 1979 at 12:00 Noon at the Holiday Inn.

The proposed budget for 79-80 was drawn up and sent to division.

Several special event projects were discussed and we feel we'll have some worthwhile events. So if you see some of the volunteers working on these projects stop and help and buy as many as you can, you know it all goes to a good cause. It all goes toward our Crusade goal.

Further information on the senior division or other little league activity can be obtained by calling Mike Hauckwell at WGRY, 348-6171 or visiting the radio station at 6514 Old Lake Road.

Local Cancer Society Meets

The Crawford County unit of the American Cancer Society held their directors' meeting March 19, 1979 at the Grayling State Bank.

We were notified by the division our goal for the 1979-80 will be \$7,000.00. This is up \$400.00 from last year.

Elaine Harland resigned as Public Education Chairman, we will need to fill this vacancy. This is an important office as the public is not really aware of just how much the Society does, or how much of the Crusade funds stay in our own county.

We voted to accept the certification for another year.

Golf Auxiliary To Meet

Ladies, it's that time of year again? What time of year? Why golfing time, naturally.

The President of the Grayling Golf Club Auxiliary, Sis Burr, has called for an organizational meeting on Tuesday, April 24th at 7:00 p.m., at the Grayling Country Club.

We want to issue an invitation to all lady Club members that are interested in the Wednesday Morning Auxiliary to attend the meeting that evening.

Come out and join the fun this summer.

Warning

Range firing will be conducted by units of Michigan Army and Air National Guard during the period 11-14, 17-22, 24-29 April 1979.

Small arms, mortars, field artillery, helicopter gun ships, high performance fighter aircraft will be firing on the ranges located at Camp Grayling during this period.

The ranges will be closed during the above dates and all persons are warned to stay out of the range areas.

WOULD YOU BELIEVE, FRIDAY, APRIL 6th? Mother Nature took one last swipe at us last week when we experienced the worst storm this winter when high winds and snow began Thursday night and lasted until late Friday afternoon, closing schools, knocking out power in several areas and blowing down trees across roads. The above photo was taken about 9:30 Friday morning looking from the Avalanche toward the intersection light, the storm brought out the snow blower once again.

Transit Bus Destroyed In Fire

by Joe Schrader

An early-morning mishap resulting in a fire, destroyed a Dial-A-Ride bus shortly after 8 a.m. last Thursday morning in downtown Grayling. Despite the incident, driver Betty Failing was pronounced a "Heroine" for her quick aid in evacuating three elementary school youngsters, bound for the elementary school, before radioing the incident to the fire department. She is credited with the quick evacuation of the three students shortly after she noticed that the engine compartment of the bus was on fire. "She's a heroine as far as we're concerned," commented Chet

Johnston, Transit Manager, after the incident shortly after the passengers were evacuated, the bus was completely destroyed in a fire, surmised by the fire department as caused by a malfunction in the fuel system.

Bits O'Talk

by Fay Bovee

Our congratulations go to the cast of "Pippin" at Kirtland Community College on Friday and Saturday, April 6 and 7, 1979, and especially to the Grayling cast members, Tamara Lindsay, daughter of Mr. and Mrs. Robert Lindsay of AuSable Trail, and Mrs. Pat Fowler of Edgewater on the AuSable, who both did an excellent acting and singing job. Also, we'd like to acknowledge the part of Tom Wakeley, son of Mr. and Mrs. Richard Wakeley, of North Down River Road who was part of the stage crew—well done!

We have to comment on the crew decoration on the Emporium entrance on main street. We approve. Mr. Wieber and Mr. Lee—a nice addition to the building.

Mr. and Mrs. Bill Tufts are back after their 3-month vacation in Panama City, Fla., they had a good winter and Bill said he played a lot of golf.

Mr. and Mrs. Dick Raab toured the southern states during their 6-week vacation.

Charlene Papendick flew to Hawaii for a two week vacation. She left Detroit on March 30 and because of the United strike was routed to Minneapolis and then to Anchorage, Alaska, with the tour group, before going on to Hawaii.

Mrs. Walter Truettnar returned Saturday night from Bimini in the Bahamas where she had spent the last three and one half months. Her nephew and wife, Mr. and Mrs. Roy Milnes, of Roscommon, met here at Metro Airport, Detroit.

24 years. His retirement will mark the end of 30 years of extension work.

Bosserman moved to Roscommon in 1966 from Cadillac where he headed the Missaukee-Roscommon extension office. Prior to that he was assigned to St. Clair County.

Bosserman has been an active community participant, assisting in the development of land use plans and zoning ordinances, guided the state's first green belt zoning ordinance for Grayling township and helped in the organization of a Roscommon economic development committee.

Just recently he completed a comprehensive parks and recreation plan for Roscommon county for the planning board.

handle the transportation request of the whole county, Johnston commented.

Passage of the millage will generate some \$78,000 in county funds toward an annual budget of about \$132,000. The state will finance the balance.

According to Johnston, a total of over 102,000 passengers from throughout the county have taken advantage of the bus service during its 28 months of operation.

The Dial-A-Ride system provides almost immediate bus service for county residents at a normal fee. Current employees include five full-timers in addition to Manager Johnston. Drivers include Bill Worden, Loretta Tobin, John Rasmussen and Betty Failing. Ernestine Church is the system's dispatcher.

Anticipating positive approval of the millage increase, Johnston indicated that four new buses have been ordered plus two backup vehicles. They will replace all those now in operation. In addition, Johnston said he has developed a new program that will better service the needs of users, one that will provide a published schedule this, all contingent on voter approval, of course.

Johnston said that the figures indicate that ridership amounts to about 70% from within the city and outward to about a five-mile radius. These statistics have enabled him to put together a more sophisticated operating schedule.

Irrespective of your sentiments on the value of the system to Crawford County residents, all voters are urged to get out and vote on this important issue on April 30th.

Band Students
Win Honors

On April 7th, three Middle School band students won 1st Division medals at Cheboygan, under the direction of LeRoy H. Christian, band director; Becky Karas, flute; George Morse, cornet; and Tim Taylor, french horn. Accompanists were: Marion Matyn, Mrs. Ron Olson and Mrs. George Dice.

These three students performed before judges on their instruments, and won a blue medal for 1st Division honors.

Mr. Christian served as room chairman in the brass section, during the afternoon.

We are all proud of the excellence in musicianship displayed by our Middle School musicians at this festival.

Transit Manager Chet Johnston reported to us today that he had made arrangements to secure another replacement bus from Lansing and that transit service would only be temporarily affected by the fire. A replacement bus was expected Monday evening.

At any rate, the incident is a typical example of why area residents should give serious consideration to the Dial-A-Ride millage vote coming up this month... It's worth looking at!

From Our Corner ...

Wow! am I glad we backed off last week on our prediction when spring was going to settle in on our little hamlet...

After a few days the first of last week, Mother Nature must have decided since we had missed our usual March storm, normally around St. Pat's Day, she wasn't going to let us get home free...

All day Thursday the weather report was 2 to 4 inches during the night...not once was there a hint of a winter blast moving in...that was until around 9 o'clock when the winds moved in...and they howled all night and into Friday afternoon.

I'm sure most of the populace of our area had settled back thinking spring, and those nice April showers as we had...in fact it caught our Sheriff's Department by surprise in the fact that the county squad cars were caught in the drifts of the parking lot and were unable to move...

It is here where we again give the Tip of Our Hat to Sheriff Curt's deputies that resorted to driving their own four-wheel drive vehicles to rescue stranded motorists and homeowners.

It is with action by these men and other volunteers during a crisis that makes living in Grayling and Crawford County something to be proud of...whether you receive many pats on the back, or such...we speak of most, we appreciate your efforts.

The freak storm stranded motorists throughout the area and left many area homeowners without power for several hours...many were without power the first of the week.

† † †

An idle thought...we're glad Jerry has got his whistle back...now we know when to go home for lunch...when it is dinner time...and when it is time to hit the sack...

† † †

The ol' fella can't win for losing...last week we made a few remarks about all the chicken we had in a three day stretch...well, evidently, the immediate boss is not going to let us forget our funny remarks...she stopped tonight on the way to bowling, and we asked what morsels we may be thinking on having tonight after we finish your favorite corner...we mentioned there was a chicken sort of dinner in the freezer...her remark...you mentioned last week you had your fill of chicken, so now we have to wonder what is in store...we can't have pickled bologna sandwiches...we had that for lunch...but then, we did have chicken twice in one day last week...

† † †

Two very important millages will be coming up in the near future...the first, April 30th will be for the continuance of Dial-A-Ride...the other on June 11th for a renewal millage vote plus a possible added millage for the school district.

Both in our mind needs a lot of soul searching before a person makes up their mind...everyone is sick of the high taxes...especially when the valuation of property jumps like a leap frog...

Like we have stated before, no way are we in the position to tell anyone how they are to vote...especially when they are spending their money...all we ask, check the validity of the millage, and have your say at the polls.

† † †

An idle thought...we hope the Easter Bunny doesn't have to rely on Rudolph the Red Nose to find its way to the homes of our kiddies in the area.

† † †

Would you believe? You just came to the end of the corner this week...may your Easter weekend bring you many happinesses, as we celebrate the purpose of our salvation...

The Bible Speaks

From Calvary Baptist Church

Why Baptists are Separated from False Doctrine

God in the Bible clearly teaches us to be separated from false doctrine, the world and its standards, and the church from the state.

1. The times require separation according to the Bible. "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils." I Tim 4:1. "For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears, or teachers who want to please them. They are open to seducing spirits, and doctrines of devils, fables, and their own lusts. They are greatly impressed with "power and signs and lying wonders" done in the name of religious miracles. They because of their deception and delusion are quick to promote foolish questions, contentions and strivings. (adv.)

2. The tempter causes us to separate to avoid deception and confusion. "For the mystery of iniquity doth already work: only he who now leatheth will let, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders. And with all deceivableness of unrighteousness in them that perish: because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." 2 Thess 2:7-12.

3. The testimony of the Bible demands separation from false doctrine. "Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned: and avoid them." Rom 16:17. "If any man teach otherwise, and consent not to wholesome words, even the Words of our Lord Jesus Christ, and to the doctrine which is according to godliness from such withdraw thyself." 1 Tim 6:3, 5c.

BILLION

"But avoid foolish questions, and genealogies, and contentions, and strivings about the law: for they are unprofitable and vain. A man that is an heretic after the first and second admonition reject." Titus 3:9, 10.

In Conclusion, we must surely be in the latter times. People don't want to follow pure Bible doctrine. They "will not endure sound doctrine": "They turn away their ears from the truth": "they heap to themselves teachers, having itching ears, or teachers who want to please them. They are open to seducing spirits, and doctrines of devils, fables, and their own lusts. They are greatly impressed with "power and signs and lying wonders" done in the name of religious miracles.

They because of their deception and delusion are quick to promote foolish questions, contentions and strivings. (adv.)

Name Chairman For C/F Bike-A-Thon

The Cystic Fibrosis Foundation today announced the names of local Chairmen in the 1979 "Cyclin" for CF" Bike-A-Thon throughout the state of Michigan. Mrs. Darla Moore is chairman for Crawford County.

Bike-A-Thon will be held in approximately 330 Michigan communities and 79 counties during the months of April and May. An Anticipated four to five thousand cyclists will support the Cystic Fibrosis Foundation in their efforts to raise the much needed money to carry on research and conquer CF.

Through the "Cyclin" for CF" Bike-A-Thon events, local residents have an excellent opportunity to use their health and energy on behalf of these children with lung diseases.

Support the "Cyclin" for CF Bike-A-Thon in your community!

"That cocky grin is typical Tom. That's how he looked when I told him he'd made the varsity his first year at Annapolis. Then we learned Tom had 3 months to live. That was 5 years ago."

George Welsh—Head Coach, USNA Football

It was hard to believe a boy like Tom Harper could be so desperately ill. Or that anyone could fight so hard to live. When he was under treatment and so weak he could hardly walk, Tom still came to practice. He'd marked out his own program for survival. To get back in shape and somehow speed the recovery he never lost hope would come.

For Tom it wasn't too late. Something new called combination chemotherapy was just beginning to be used. There are almost 2 million Americans like Tom who've beaten cancer.

But for many patients just as determined and hopeful, the treatments that could save them have not yet been found. That's why the American Cancer Society is asking for your support. Through research, rehabilitation and education, they're making your contributions count.

Wood Industry Organization Formed

On January 31, 1979, a new organization was formed to represent wood industry in Northeast Michigan. By a unanimous vote of those attending a wood industry conference in Grayling, the Northeast Michigan Wood Industry Council, a non-profit corporation, was born. Those in attendance, in addition to wood industry representatives, included personnel from the Dept. of Natural Resources, the Mi. State University Cooperative Extension Service, Tom Zick from the C.P.A. firm of Robertson and Zick, Roger Rehberg of the Upper Great Lakes Regional Comm., Tom Alley, State Representative from West Branch, George Graff of the State Chamber

of Commerce, Tom Heck of the State Dept. of Commerce and a representative from the office of Senator Robert Davis. The formation of an organization was the culmination of research on the part of a task force which was appointed a year ago at a similar conference. This task force was made up of local wood industry and concerned agency representatives.

Keep Your Streambank At Home

Do you own property on one of the many rivers or streams which wind through Crawford and Roscommon counties?

If you do, there is a possibility that you are watching part of your property being slowly washed away. The constant action of a flowing river or stream can do an unbelievable amount of damage to your river front. Soil is washed away from the bank and carried downstream. As soil is washed away, trees are uprooted and fall into the river.

If you have run into this problem, don't despair. Help is available!

The Crawford-Roscommon Soil Conservation District, through the Resource Conservation Act Summary taken last summer, has singled out erosion and sediment producing problems as their 'Public Enemy Number One'. Through the District, technical assistance is available from the Soil Conservation Service. Also, financial assistance may be available from the Agricultural Stabilization and Conservation Service. A District Conservation Crew will also be available to construct the needed erosion control measures.

Further information about these programs can be obtained by contacting the Crawford-Roscommon Soil Conservation District at 409 Lake Street; P.O. Box 156, Roscommon, Mi. 48653; or calling 517-275-5231.

Your erosion problems can be stopped and your property saved. Contact us now!

Council is to provide a common voice for small wood industries in order to deal more effectively with their concerns. Primary concerns voiced were workmen's compensation, forest management, resource utilization, and the promotion of favorable legislation. With the cooperation of the Michigan State University Cooperative Extension Service, the council will be active in the identification of educational and research needs. Other major goals include job expansion and the general promotion of wood industry in Northeast Michigan.

Newly elected officers and Board of Directors are: Ralph Monk of Lewiston, Pres.; Forrest Rhoads of Mio, Vice President; Dick Knight of West Branch, Secretary-Treasurer; John Gascho of Fairview, Paul Huber of Harrison, Russ Mason of Rose City, and Bill Carroll of Lewiston.

Those interested in joining the Northeast Mich. Wood Industry Council or having questions may contact any of the above listed board members.

'Big John' riding high

RICHARD MILLIMAN

Don't look now, but Big John Connally—the Texas sidewinder who looks and sounds more like a president than anyone since Warren G. Harding—seems to be edging ahead in the early phases of the Republican White House sweepstakes.

That comes from a recent sampling of midwest Republican leaders gathered for a pep rally at Indianapolis. The midwest, in the past has been pretty strong Reagan territory, after all, this was the original home base of the former California governor.

But Big John came on strong at the Indianapolis gathering, and Reagan didn't appear at all. Connally gave the GOP midwesterners his standard sidewinder, calling for the nation to move vigorously to cope with its problems at home and even more aggressively to restore its prestige abroad. His listeners loved it; they usually do.

Other would-be presidents also spoke such as Sen. Howard Baker of Tennessee and Robert Dole of Kansas, Reps. Philip Crane of Illinois and Jack Kemp of New York, and Connally's fellow Texan, a Connecticut transplant, George Bush, all-around Republican handyman. Of course, that's not the entire list of GOP hopefuls, but those are the ones who went to Indiana.

According to the newspaper reports I reviewed, about 250 Republican state chairmen, national committee members, county chairmen and other party leaders from 13 midwest states responded to a survey at the Indianapolis convention, attended by about 600 party wheelhorses.

Connally came in first on all scores. Who is your choice for the 1980 nomination? Connally was a solid first with 74 votes, Reagan had 54, Bush 33, Baker 31, Crane 30, Dole 17 and Kemp 4.

Who has the best chance of winning in 1980? Connally first with 97, followed by Reagan 68, Baker 41, Bush 37, Crane 17, Dole 10, Kemp 5.

Who is closest to your beliefs on issues? Connally again first with 61, with Bush 55, Crane 48, Dole 39, Reagan 32, Baker 20, Kemp 15.

Named To Honor
List at NMC

Traverse City—Steven Persing, of Grayling, has been named to the Dean's Honor List for the Winter Term 1979 at Northwestern Michigan College.

The Dean's Honor List recognizes outstanding academic achievement of full-time students who earn a grade point average of 3.5 or higher out of a possible 4.0.

—Hoover promised two cars in every garage, and Carter's going to see they stay there.

—Disco dancing is like arthritis...it shows up in all the joints.

—President Truman said that "The buck stops here." With today's inflation, he'd have to make that at least two dollars.

—A TV special is something that replaces the shows you want to see.

March 23, 1979

A regular meeting of the Crawford County Road Commission held in their office in Grayling, Chairman Richter presiding. Present were Chairman Ervin Richter, Commissioners Gloria Kraus, and Grover Cason. Manager Charles Fox. Secretary Lorna Bernard. Absent: Engineer Ron Hernke.

The minutes of the last regular meeting were read. Ervin Richter made a motion to accept the minutes with corrections, seconded by Gloria Kraus. All voted in favor, minutes approved.

Attorneys Timothy L. Hass, and Douglas Dossor appeared before the Board to review a pending case with the Board.

The Board adjourned for lunch and upon returning to the office convened the meeting at 1:00 P.M. to discuss the Annual County Road Association Highway Conference that was held in Grand Rapids on March 21 and 22 of 1979 and attended by Chairman Richter, Commissioner, Gloria Kraus, and Manager: Charles Fox.

Mr. Fox discussed the Marindale Brine Well and the prices of fiberglass tanks and submersible pump. Mr. Fox is to continue collecting cost estimates and other data before a final decision is made.

The grievance from several employees was again discussed and Mr. Fox was instructed to contact Charles Minnor to clarify the issue.

The practice of loaning or renting equipment to other Governmental Units was discussed and it was decided that due to the potential liability, this practice would not be allowed.

There being no further business Grover Cason made a motion to adjourn, seconded by Ervin Richter, all voted in favor, meeting adjourned.

O.E.S. Hosts Senior Citizens

Grayling Chapter No. 83 O.E.S. sponsored a dinner for senior citizens of Crawford County over 80 years of age at the Masonic Temple on Saturday, March 31.

The dinner, which began at 6 p.m., was enjoyed by 63 oldsters. A delicious beef stew on homemade biscuits was served along with lime and pineapple salad and lemon pie by Annabelle Armstrong, Chairman of the Kitchen, and her committee.

Following the dinner, entertainment was provided by Pastor and Mrs. Weber of the Mt. Hope Lutheran Church. Then the group had a sing-along with Mrs. Helen Clippert at the piano.

Laura Gould provided bus transportation for the senior citizens from all over the County. Everyone had a very enjoyable time.

Robert Houghton
Publicity Chairman
District Court

The following appeared before Judge Francis L. Walsh in 103rd District Court last week:

Marc Lynn Bindschatel, 19. Frederic, pleaded guilty to two charges, the first, an assault & battery charge, the second a charge of malicious destruction of property of a value under \$100. On the first charge he was sentenced to 30 days in jail and placed on probation for one year and on the second charge he was sentenced to 30 days in jail, placed on probation for one year and ordered to make restitution.

Greg Alan Bindschatel, 25. Frederic, pleaded guilty to a charge of assault and battery and was sentenced to 30 days in jail and placed on probation for one year.

He also pleaded guilty to another assault and battery charge and was sentenced to 30 days in jail in order to serve a one-year probationary period. In addition, he pleaded guilty to a charge of malicious destruction of personal property of a value under \$100, was sentenced to 30 days in jail and probation for one year and ordered to make restitution.

Larry Gene Bisil, 19, of Houghton Lake Heights, demanded preliminary examination on a charge of larceny in a building. The 12-day period was not waived and a \$1,500 cash/surety bond was set.

Lamar James Eckstein, 40, Roscommon, was found guilty in a jury trial on a charge of willful, illegal possession of a whitetail deer. A five-day jail sentence was imposed and \$158 in fines and costs plus a \$50 restitution fee was imposed.

No hunting license privileges will be provided for the next three years and the defendant was placed on probation for one year.

Pauline Ann Eckstein, 39, Roscommon, was found guilty of the charges reported in the previous paragraph and the same fines, costs and fees were imposed.

Robert alton Perkins, 44, Frederic, pleaded guilty to a charge of impaired driving and was fined \$185 or 14 days in jail.

Lamar James Eckstein, 40, Roscommon, was found guilty to a charge of fleeing and eluding an officer in a jury trial and was sentenced to 30 days in jail and placed on probation for one year.

Attend the Church of Your Choice**Up From The Grave He Arose**

Kevin's in the Junior Choir. You better believe Kevin is in the Junior Choir . . . you'll sometimes hear him above the rest . . . occasionally a shade off pitch.

But the joyous message of Easter is never sung with any more enthusiasm than when Kevin and his friends sing "Up From The Grave He Arose." The effect on the congregation is electrifying.

Think, too, of the effect on Kevin. His youthful heart is warming to the central truth of his religion. He is *feeling*, not just telling, the Story of Easter.

What we give of our time and talents means a great deal to our church. It means even more to us! Discover that truth this Easter.

Lansing Report

Ralph Ostling
House Passes
Equalization Bill

A Republican sponsored bill that would provide another safeguard against unfair property tax assessments passed the House easily last week, 71-26. The bill, sponsored by my Republican colleague Roy Smith of Saline, would require equalization of property by class. The six classes of property are industrial, timber cut-over, commercial, agricultural, residential and developmental. Here's how assessments are made:

The assessor from the local unit is supposed to assess property at 50 percent of its true cash value. However, since different assessors assess differently, the county must come in and apply an equalization factor to bring all local unit assessments up to the same percentage of true cash value. The state then equalizes the assessments between counties to determine the state equalized value—the amount on which taxpayers actually pay property taxes. Representative Smith's bill would require an equalization factor to be applied in each of the six classes of property to bring them up to the 50 percent level.

Here's an example of how the new bill would alter assessments:

Let's say a local unit's residential property is assessed at 20 percent and its industrial property is assessed at 30 percent by the local assessor. The average assessment for the two classes is 25 percent. When the county equalization board comes in to apply an equalization factor they assign a factor of two, bringing residential assessments up to 40 percent and industrial over the state's 50 percent limit to 60 percent. Under Representative Smith's plan, an equalization factor according to class would be applied to ensure that one class of property owners was not being over or under-assessed.

In this instance, a factor of 2.5 would be applied to the residential property and a 1.67 factor would be applied to the industrial class, bringing them both up to 50 percent of true cash value.

Supporters of the measure believe the new equalization level would help ensure property tax equity. They argue that a properly assessed class of property will not be penalized by an equalization factor greater than one, applied because the entire jurisdiction is under-assessed.

Representative Smith's bill is aimed at righting inequalities which have historically occurred throughout the state, where some residents have paid more than their share in property taxes and others have not paid a fair amount of taxes on the true value of their property.

Former Resident Honored For Health Board Service

Mrs. Ethel Pierce of Abington, Mass., was honored recently for her 25 years of dedicated service on the Board of Health there. Mrs. Pierce, a former Grayling resident is serving her ninth term on the board and was presented a resolution from State Rep. Andrew Card

from the House that outlined several of her accomplishments, including being the former chief pharmacist of South Shore Hospital.

Also mentioned was her travel all over the world as a delegate to the congresses of the American Pharmaceutical Association and the many publications which contain her biography. She was also presented a gift from the town.

Climax of the program came when Mrs. Pierce said "Who needs this!" and that seems to be the general consensus of opinion about this white stuff. What an opening for the golf season, the blizzard closed the drive to the club, cancelling the opening Happy Hour, on Friday, April 6. It has been rescheduled for Friday, April 13, from 4 to 6 o'clock, and hopefully most of the snow will be gone by then.

The sign-up sheet for the Thursday mixed league has been posted in the clubhouse, the drive is now open, and people are slowly starting to stop in. Everyone is ready for the season to begin.

Come on out and support your club.

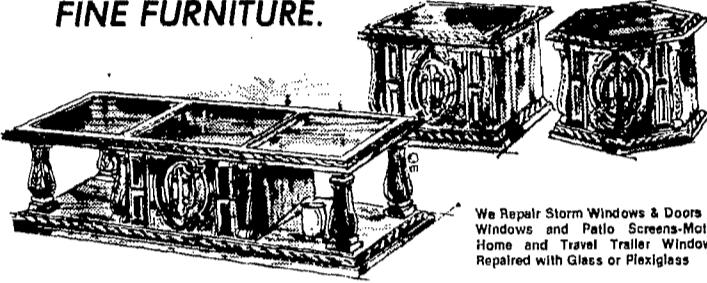

The Wednesday morning women's league organizational meeting is all set for April 24.

Kirtland CC Hosts Tourism Seminar April 23-24

Roscommon—Tourist operators and chamber of commerce staffers in the northeast Michigan area are being invited to attend a two-day Management Seminar April 23-24 at Kirtland

nar April 23-24 at Kirtland Community College.

This is the second year for this type of seminar, presented by the college's Business Department, headed by Jerre Lewis.

Features of the 12-hour short course include personnel training, hospitality management, promotion and advertising, financial management and planning and customer relations involved in selling the tourism product.

The promotion and advertising section will deal with planning and producing tourist promotional literature for individual businesses and for community chambers of commerce. The personnel training will emphasize restaurant/food service workers.

Instructors include Michigan State University hotel school and recreation management specialists, plus specialists from private industry.

Registration is open to all business men and women in northeast Michigan in addition to the four-county district served by the college. Registration is \$6 for out-of-district attendees and \$5 for district residents.

Complete information on the 2-day seminar may be obtained by writing or call: Admissions Office, Kirtland Community College, Roscommon, Mi. 46653; Phone 517-275-5121.

Co-sponsoring agencies include the East Michigan Tourist Association, Michigan State Cooperative Extension Service, U.S. Small Business Administration and Michigan Small Business Development Division.

ABWA Plans Boss Night

On April 24th the Grayling Chapter of the American Business Women's Association will highlight its Boss Night festivities with the presentation of the Boss of the Year award. The annual Boss Night event is designed to honor the employers of ABWA members.

Marty VanDeVen, salesman for Krumrei Beverage Distributing Co. of Grayling, will be guest speaker at the meeting being held at the Grayling House Restaurant.

Marty VanDeVen is an expert on wines, and wine testing will enhance the theme of the evening which will include an Italian dinner. Judy Mesack will be the vocational speaker.

Outstanding community service, business success, and consideration for employees are factors weighed in the selection of the Boss of the Year.

One goal of ABWA is to encourage better employer-employee relations by helping business women to increase their efficiency and business skills.

ABWA promotes the professional, educational, cultural and social advancement of business women. As an educational association, the awarding of scholarships is one of ABWA's key programs.

Frederic Library Boards Meet

The Frederic Community Library Board met April 5 at the home of Rose Ann Armstrong, with six members present.

We have changed the date of our rummage sale to sometime in May.

GHS Competes In Speech Contest

Thirteen Grayling High School students participated in the District Speech Competitions at Charlevoix High School, this past weekend.

The students that participated were Chris Lepsy, Beth Revitzer, Todd Dunckley, Sue Somerville, Bonnie Kuesch, Cathy Diedrich, Sue Pausche, Carol Hellstrom, Bill Bonkowski, Margie Olson, Holly Nunn, Chuck Kent and John Krajenka.

Seven students were selected for the final round of competition; yet, all students competed extremely well. Faculty sponsor, Chuck Spencer, was very pleased with the results and said that all students participating revealed great improvement over the past month.

Nancy Lemmen, who is also a Speech Instructor at Grayling provided much assistance and encouragement to the speech competitors. The Regional Contest is scheduled to take place at Central Michigan University on Monday, April 23rd.

Representing Grayling will be Carol Hellstrom, in Serious Interpretive Reading, and Beth Revitzer in Original Oratory. Both girls placed first at the district competition, and we wish them the best of luck at CMU.

Bits O'Talk

by Fay Bovee

It's sad to see some of the old maples dying and having to be cut down, the Paul Junttilas lost the big one on the corner and the Central Office also lost one on the corner. It's fortunate that the city has already planted more in the past few years and we hope they continue to do it. As long as we're giving out bouquets today, we'll have to say that the city did a tremendous job on the street corners and keeping drains open this winter and spring. As a walker, those things are really noticeable and appreciated.

So many of our southern vacationers are returning home just in time for the big blizzard—a snow day on the sixth of April! It's hard to believe.

Mr. and Mrs. Robert Funk have returned from their winter at Lakeland, Fla. They arrived April 1 and say they had a very good winter, saw lots of Grayling people, and enjoyed their Grayling Day in the sunny south.

Grandpa Jack Scheer will be on April 30 and for those wishing to send greetings, his address is Ohio Trailer Park, Box 12-184, Sarasota, Fla. 33578.

Great Grandma Beulah Stephan tells us that Amy Cook, 5-year-old daughter of Frank and Karen Cook of Lansing had the misfortune to fall from a swing and break her leg. Amy is the granddaughter of Mrs. Bev Lowrie.

Soil Stewardship Week, which had its origins more than 1500 years ago, will be celebrated locally and throughout the United States and its territories on May 20th thru 27th according to an announcement by the Crawford-Roscommon Soil Conservation District Board of Directors.

The theme for the 1979 celebration is 'Interdependence', a concept endorsed by President Carter in his foreword to the descriptive Soil Stewardship Week booklet. The booklet and accompanying Soil Stewardship Week material is distributed by Conservation Districts to clergymen, lay leaders, civic and educational organizations and individuals interested in participating in the unique celebration.

"Americans have always understood the value of working together to achieve common goals," President Carter said. "We have learned that unity of purpose and mutual dependence are essential to our growth as a society of self-governing people.

"It is especially fitting, therefore, that interdependence...of city and country, of Americans and their resources, and of man and nature, is the theme of Soil Stewardship Week in 1979," the President observed. "Our nation can be thankful for our progress in repairing the damage we have done to our environment. But that is only a start. To achieve greater harmony with nature, we must continue to seek harmony with one another."

The concept of Soil Stewardship had its origins in the special Rogation Days set aside by the Bishop of Vienne, France following bad weather and earthquakes that brought crop failures and widespread hunger to much of France some 1500 years ago. The Bishop called upon the people to offer prayers and penance, and to offer humble thanks to their creator for the priceless gifts of soil, water air and sunshine which make all living things possible.

While we are not faced with the immediate prospect of famine or hunger in the U.S. today, the reasons for Soil Stewardship commemorative activities hasn't changed very much, the sponsors believe. We still need to pause each year to express our thanks for the natural resources of soil, water and air which nurture our people and provide us with daily food and fiber necessary to carry on our daily existence.

Soil Stewardship Week has been sponsored in the United States since 1955 by the National Association of Conservation Districts, in cooperation with the nations nearly 3,000 Conservation Districts.

Information on Soil Stewardship Week and descriptive materials may be obtained by local churches and groups free of charge by contacting Barb Stauffer, Crawford-Roscommon Soil Conservation District Office Manager, 409 Lake Street, P.O. Box 156, Roscommon, Mich. 48653 or calling 275-5231 as soon as possible so that items may be ordered in time for the observance, the third week in May.

Crawford County To Share In Supplemental Disaster Funding

Twenty communities in the 103rd District, including Crawford County, will receive \$104,957.01 from the State Police's disaster fund as part of extra money approved by the House of Representatives recently. State Representative Ralph Ostling reported today.

The disaster contingency fund is used to assist communities which suffer unanticipated costs due to natural disaster, such as floods, severe snowstorms or tornadoes.

The House passed and sent to the Senate a supplemental appropriation bill that gave the fund \$2.3 million in extra monies for the current fiscal year.

"The extra funds are necessary because of the number of outstanding claims on the fund from communities throughout the state," Mr. Ostling explained.

Crawford County was awarded a total of \$6,811.59 for the fiscal year, according to Ostling.

"Though this supplemental appropriations bill must first be approved by the

She is the daughter of James (Larry) and Lucy Wilber of Flint; granddaughter of Mary Galvani; and has many relatives in the Grayling area.

Senate and the Governor before the communities will receive the funds due them, I am nonetheless pleased that the Legislature is on the road to approving payment for these claims," Ostling added.

Mich Con Refunds Credited To Bills

Detroit—Michigan consolidated Gas Company's typical residential heating customers will be receiving credits on their April and May bills, averaging about \$5.50, the utility said.

The refunds are being made as a result of a Federal Energy Regulatory Commission (FERC) ruling requiring two of the company's pipeline suppliers to refund money collected under bond pending the outcome of rate case proceedings in Washington.

Mich. Consolidated said the one-time credit will appear on bills mailed to customers beginning April 6 and continuing through early May. The company has approximately 900,000 residential heating customers statewide.

Lovells Township Board Meeting

March 13, 1979

Present: Schaibly, Spencer, Stahl, Caid (deputy treasurer)

Absent: Harwood, Walker, Stahl, Sherry & Charles Cadeau, Jim Brown, William Laurie, Margaret & Kenneth Cavanaugh, George Wingerer, Jim & Bella Kinsman, Lois & Maynard Brown, Dolores Haberland, Bruce Armstrong, George Lehto, Ed Coulter, R.K. Lambert, Marty Seldon, John Duby, Janet McCredie, Bill McGowan, J.Q. & Leona Nichols, Betty Burden and Renee Fortier.

The meeting was called to order at 7 p.m. by Supervisor Schaibly. The minutes of the February 13, 1979 meeting were read and approved as read. The treasurers report was given and accepted.

CORRESPONDENCE

An invitation to an Open House at the Crawford County Dept. of Social Services on March 20, 1979.

Notice of a Public hearing scheduled for Consumers Power Company by the Public Service Commission was received relative to an increase in rate for the sale of electricity.

Notice of a Public Hearing scheduled for Top O Michigan Rural Electric Co. by the Public Service Commission was received relative to including charges or credits for changes in purchased power cost.

A copy of the Federal Register Grant Scan for Northeast Michigan Council of Governments.

A letter from Mr. Fred Harley complaining about the old dump site down river. We suggest Mr. Harley contact the DNR about this problem.

Motion by Stahl, second by Schaibly that we pay the Grayling State Bank the balance owned to them for the Fire Department loan. All voted aye. Carried.

The Township Hall has been rented on April 7, 1979 for a wedding reception.

The AuSable North Branch Area Association Inc. will hold a meeting in the Township Hall on Saturday, March 31, 1979 at 10 a.m.

The Township Annual Meeting, a proposed fiscal budget hearing and the Budget Hearing for the Federal Revenue Sharing monies will be held in the Townhall on March 31, 1979 at 1 p.m.

Mr. Charles Godfrey, who is representative of Congressman Robert Davis's office, will hold office in the Lovells Township Hall on March 21, 1979 from 1 to 2 p.m.

Motion by Stahl, second by Spencer to pay the Deputy Treasurer \$10.00 per meeting when she attends in place of the Treasurer. All voted aye. Carried.

The Clerk requested a copy of the inventory of the Fire Department.

We have been granted a CETA slot for a full time maintenance man. Ray Duby, Jr. has been hired to fill this slot.

Lloyd Stahl explained the recreational plan and the function of the Recreation Committee. This committee consists of Lloyd Stahl, Chairman, George Wingerer, Co-Chairman, Sandra Behlike and Donna Lehto, secretaries, Betty Burden, Claudia Jones, Bill McGowan, Kenneth Erb, Kenneth Cavanaugh, Bill Commons, Rick Hartwig, Hank Didier, Dolly Baughn, Barbara Cheyne, R.K. Lambert and Bill Baughn.

Proposed for the first year is a parking lot and development of a picnic area. 100 feet by 175 feet, cleared, graveling and filling with a gravel base, six picnic tables, four horseshoe courts, six barbecue pits, a 24x48 pavilion, for a total cost of \$10,500.00.

There was some dissention as to the name of Douglas Park being used for this development. It was explained that this park was so named because the name of Douglas has a historical value to the development of this community. Tom Douglas was one of the founding fathers of Lovells. Douglas Park is the name shown on all of the Crawford County and the DNR maps.

Resolution

Adoption of Community Recreation Plan

WHEREAS, the Lovells Township Recreation Committee was organized as an advisory body to the Lovells Township Board, and

WHEREAS, the duties of this body shall be to develop a Community Recreation Plan, and

WHEREAS, with this authority the Lovells Township Recreation Committee has completed and submitted for review and adoption a "Community Recreation Plan".

NOW, THEREFORE, BE IT RESOLVED that the Lovells Township Board go on record as adopting the above stated "Community Recreation Plan".

This resolution moved by Imilda Stahl and seconded by Ruth Caid was passed by a vote of 5 to 0 at a regular meeting of the Lovells Township Board on March 13, 1979.

Imilda Stahl read a list of the current bills. Motion by Schaibly, second by Spencer that we pay all current bills. All voted aye. Motion carried.

The regular meeting was adjourned at 8:20 p.m. in order that a Public Hearing on the proposed usage on Federal Revenue Sharing monies might be held.

The regular meeting was reopened at 8:45 p.m. Motion by Stahl, supported by Spencer that we use the Federal Revenue monies for Entitlement Period 10 for development of a road and plotting of the new part of the cemetery. Any remaining money to be used for other improvements in the cemetery. All voted aye. Motion carried.

Motion by Stahl, second by Schaibly that the meeting be adjourned. Meeting adjourned at 9:10 p.m.

Helen M. Spencer, Clerk

Camp Shawano Activities

C.A.C. meeting held at Camp Shawano on April 3, 1979.

Members present: Dick Wieber, Carol Wieber, Darlene Rowan, Bruce Haines. Camp Council members present: Brian, Bruce & Danny Other campers present: Mohamed, Randy, Bryan

Minutes for the March meeting read and approved.

Mr. Haines presented the statistics for March. Started the month with 52 on the roster, took in 7 new boys, released 6, so ended the month with 53 on the roster. Average length of stay for those released in March was 6.25 months. 6 truancies during March involving 5 youth, 4 returned to camp within 24 hours. There is still a waiting list for both camps. School truancies are only part of the reasons boys are referred for placement, but seem to be enough of the problem so that our referrals are heavier during the school year than the summer months.

Mr. Haines said that staff are looking into the archery stands. The catalog we have doesn't have too much of a selection and not quite what we want. If they would be easy to make perhaps we could make them here at camp in the wood shop.

Mr. Wieber told the boys that the girls are forming their softball team and will be ready to play at camp as soon as they have had some practice sessions.

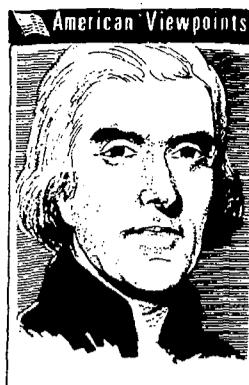

Mr. Wieber said he had been contacted by Bob Smock who was a former member of the council and that he wanted to come back and be a part of the council, but would not be able to attend every meeting. Everyone felt that would be all right and that we would be glad to have him back. He has access to a video-tape of the program "Scared Straight" which might be available to us. Mr. Haines had already received information on obtaining a 16 mm film of this program and has requested it be purchased for use by the Institutional Division. In the meantime he will check into borrowing the video-tape equipment we would need locally.

The next awards banquet date was set for May 13, 1979. The Camp Council members were notified that they are responsible for the theme and the decorations for this banquet and should start thinking of what they will need to do. There were several ideas presented for the speaker but the most favored one was having a former camper return and tell of his experience since leaving camp.

Mr. Haines remarked that there are several activities at camp which are not being utilized at the present time. Leathercraft is one and photography is another. A couple staff members are interested in learning photography if someone from town could be persuaded to teach them so they in turn could work with the boys on this type of project. Mr. Wieber said he would approach Rod Donney and see if he was available for this. We are looking for volunteers from the community who would like to spend a few hours a week with some boys in various activities, and plan to contact Mr. Pete Funk regarding the 4-H program to see if he can help us in this effort.

The camp has been active lately in basketball with both high school and other groups coming out to play and recently the high school wrestlers came out and took on the boys, which was quite a change. The boys are happy to have these people come out and participate with them in sports and look forward to the challenge, as some of our boys are quite athletic. Any local group wishing to spend some time challenging our boys have only to call the camp to make arrangements. 348-5443.

The next meeting will be held on Tuesday, May 2, 1979 p.m. at Camp Shawano.

Grayling Travelogue Series To End Thursday With Spain

exciting portrayal of the "People of Spain" with Howard and Barbara Pollard. This exciting full color adventure will begin in Grayling's Joseph Stripe Auditorium at 7:30 p.m. Doors at the Grayling High School will open at 6:45 and tickets will be available at the door.

Howard and Barbara Pollard, are convinced that the best way to discover a country is through the eyes of its people. This provides you, the audience a deeper understanding of cultural differences and similarities. With Spaniards as your guides, you will visit the cities of Madrid, Toledo, Segovia, Avila and El Pardo. You'll be fascinated by living portraits of individual Spaniards from all walks of life. Follow them on their jobs and while they relax in their homes. The Spanish are an idealistic and generous people, and you'll greatly enjoy meeting them Thurs. evening.

Included in this adventure will be a sequence about the great Spanish author Cervantes which will point out the Spanish idealism and influences his classic novel "Don Quixote" has had on the entire world.

A Christian Perspective On Death and Dying

The Commission on Education of the Michelson Memorial United Methodist Church will sponsor a four week adult series on the "Christian Perspective on Death and Dying". This topic rated top demand on a survey that was taken among the adult congregation.

The series will involve four Sunday evenings, beginning with April 22, 29, May 6 and May 20 (Omitting Mother's Sunday). The various areas to be covered will be the ethical and emotional impact which will be discussed by several local Ministers; the legal aspects to be presented by two lawyers; the function of the Funeral director with a meeting and visit to Sorenson's Funeral Home and also the medical aspect and involvement of the medical profession and nursing professions with two physicians and a nurse present.

The last evening will be handled by a panel of persons who have lost loved ones and the series will be concluded by local Ministers.

There will be opportunities for questions during and after each session. This series is open to all interested persons and persons from all other Churches are invited to attend. More detail information may be obtained from the Church office and will be published in next week's paper.

KITCHEN BRIDGE

Kitchen Bridge met at the home of Sandy Cory on Monday evening, April 9th.

A pleasant evening was spent with Barb Hazen and Kae Lund, high: Carolyn DiPonio and Sandy Cory, low.

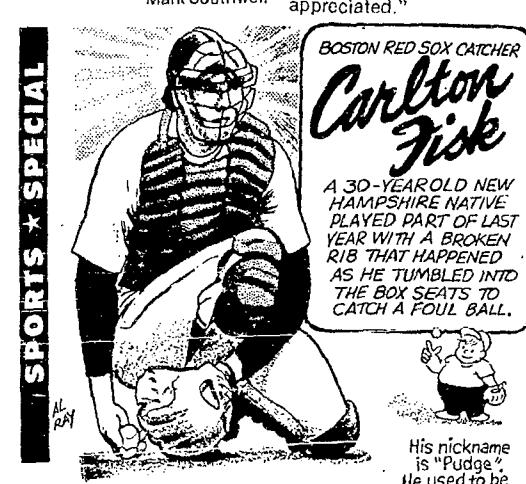

Sandy served Harlequin crepe wedges accented with green peppers and pimentos. In addition to that was served fresh fruit with powdered sugar dip.

Our next meeting will be at Barb Hazen's on April 23rd.

THANK YOU

I would like to express my thanks to Dr. Parmley and his emergency room staff, nurses in intensive care, Drs. Burkley, Dosch and Waterfall and the 1st floor nurses, also relatives and friends during my recent stay in the hospital.

G.H.S. To Present "Brigadoon"

"Brigadoon", the haunting musical fantasy about a Scottish town that has gone to sleep and awakes for a single day once every hundred years, will be the big attraction at Grayling's Joseph Stripe Auditorium. It will open on May 9th and play through May 12, with Seniors Lisa Montague, Terry Burns and Freshman John Watkins in the three leading roles.

Written by Alan Jay Lerner and Frederick Loewe, who are also the authors of the greatest hit of the century, "My Fair Lady" this "Brigadoon" won the New York Critics Circle Prize as the best musical of its first New York stage season, 1946-47, and it has even grown in popularity throughout the country in the interesting years.

From this mystic and poetic bit of legend, Lerner has spun his dreamy tale of a romance between one of the twentieth century Americans and a 17th century girl who is still only 19 years old, and Lerner has composed songs that blend with the mood thus conjured up. The spark-

ling and joyous score has remained everfresh, and is a full of song-hits as it ever was.

The daintiest of them all, "Come to Me, Bend to Me," is one of the greatest favorites of our time, and some of the other hits of the show are "The Heather on the Hill," "Almost Like Being in Love," "There But For You, Go I" and "From This Day On." One of the funniest songs, "My Mother's Wedding Day," relates the doings of one of the most spifflicated wedding parties ever known, and "Down On McConnachy Square" is a rousing choral number. With its Scottish background the show inevitably has a number of spirited Highland Flings and other Scottish dances.

The large cast includes Todd Dunckley, Alicia Taylor, Sue Pausse and Scott Dunckley, under the direction of Howard Taylor.

Tickets are \$3.00 for reserved seats only. They will go on sale April 20th.

Gear Restrictions For Stream Fishing During Salmon and Steelhead Runs

The Natural Resources Commission, at its August 15, 1975, meeting, under Authority of Act 230, P.A. 1925, as amended, adopted the following rule beginning October 1, 1975, for a period of five years:

Double or Triple pointed hooks exceeding 3/8 Inch

Double or treble pointed hooks exceeding 3/8 inch between point and shank and single pointed hooks exceeding 1/2 inch between point and shank may not be used on any stream except St. Mary's, St. Clair, and Detroit rivers before May 15 or after August 31 of each year.

KIWANIANS HONOR J. Lorne Douglas center, on the occasion of his 86th birthday, April 17th, at their regular Monday meeting. Also shown above; Charles Fick, left and his son, Scott Fick.

Kiwanians Plan Trade Show

The regular meeting of the Grayling Kiwanis Club was held Monday Noon at the Shoppenagons Hotel. A Birthday cake was provided for Lorne Douglas in honor of his 86th birthday, April 17th.

Scott Fick was the program and shared on his recent three month visit to Chile. We had a report on the Grayling Trade Show, April 26, 27, and 28 at the County Road Commission Building. This Bi-Annual event is sponsored by the Kiwanis.
